

Audubon United Methodist Church!

We are so excited to see everyone again! We want everyone to be safe so we are implementing these guidelines.

- You will be required to wear a mask. It must cover both your nose and mouth. If you do not have one, we will give you one.
- If you are unable to wear a mask due to a medical condition, you may be excused from wearing one. Please inform the usher when you arrive to the church. There will be a designated seat for you. However, it may be safer for you to stay at home.
- Only the main door on W Graisbury Ave & the door to the elevator will be used. Other entrances will remain locked.
- When you arrive you will see the 6-foot-apart-mark to wait to enter the church. An usher will inform you when it is your turn to enter if many people arrive at the same time. When it rains, please bring an umbrella.
- Upon entering, please use the hand sanitizer provided or you may bring your own.
- Someone will take your temperature using a no contact thermometer. There will be a clear guard between you and the person who takes the temperature. If you have a fever, 100.5 degrees or higher, we will ask you to leave and check with your doctor.
- When you arrive to the entrance to the sanctuary, ushers will escort you to a marked seat. Only those from the same household may sit side by side.

- Please, no handshakes, hugs, fist bumps, or elbow bumps. Greet each other with a smile. Even with a mask, a genuine smile reaches to the eyes so others will know you are greeting them!
- Children are welcome. We will not have a nursery, but you may have your children stay with you for the service. For younger children, you may bring a toy or item to occupy them.
- There will be no bulletin. Everything will be shown on the sanctuary screens. There will be no singing during the service.
- Please wait until the usher guides you to leave your seat when worship service is over.
- When the service is over please do not congregate in the building. You may talk outside, but move away from the steps and remember to keep your mask on and stay 6 feet apart.

Please note:

- Email your prayer request to pastorjisun@gmail.com by Saturday. No paper prayer request will be used for now.
- All windows will be left open and air conditioner be running at the same time.
