

## Board of Trustees Report

In 2019, the General Conference enacted a process by which local churches can disaffiliate from The United Methodist Church. The process, which is outlined in the *Book of Discipline* ¶ 2553, provides local churches a “limited right” to disaffiliate for reason of conscience, or for the actions or inactions of its annual conference, regarding a change in the requirements and provisions in the *Book of Discipline* related to homosexuality.

The Conference Board of Trustees, with the input of an advisory team, has implemented the terms and conditions of ¶ 2553 for churches seeking disaffiliation. The terms of ¶ 2553 include, among other provisions:

- Payment of any unpaid apportionments for the 12 months prior to disaffiliation, as well as an additional 12 months of apportionments (¶ 2553.4.b).
- Payment of local church’s share of the pension liability for the pension covenant for our active and retired clergy as determined by Wespath (¶ 2553.4.d).
- Payment of any arrears on local church’s health insurance and benefits premiums (¶ 2553.4.e).
- Church conference where two-thirds (2/3) of the members present vote to disaffiliate (¶ 2553.3).

The following local churches have provided one of the following reasons for disaffiliating in accordance with the *Book of Discipline* ¶ 2553.

- 1) Reasons of conscience regarding a change in the requirements and provisions of the *Book of Discipline* related to the practice of homosexuality or the ordination or marriage of self-avowed practicing homosexuals as resolved and adopted by the 2019 General Conference (¶ 2553.1).

Or,

- 2) The actions or inactions of the Kentucky Annual Conference related to the human sexuality issues stated above (¶ 2553.1).

The following local churches have held a church conference, in compliance with ¶ 246.8, 248, and 2553.2-3 of the *Book of Discipline* of The United Methodist Church, at which at least two-thirds (2/3) of the professing members present voted to disaffiliate from The United Methodist Church.

To take effect, this disaffiliation agreement must be “ratified by a simple majority of the members present and voting” at a duly-called session of Annual Conference, as required by Judicial Council Decision 1379 and ¶ 2529.1b(3).
