SEJ Asian American Ministers Gathering

Dear Rev. Thomas Kim,

Grace and peace to you in the name of our Lord Jesus Christ!

On behalf of the planning team, it is my honor to extend an official invitation to you for the **first Southeastern Jurisdiction (SEJ) Asian American Ministers Association (AAMA) Gathering**, taking place this May in Virginia.

This historic event is designed to bring together Asian American clergy and leaders from across the SEJ for a time of worship, connection, and visioning for our shared future in ministry. We are excited to welcome dynamic speakers, offer space for mutual encouragement, and reflect together on how we can continue to thrive in our callings and communities.

Your presence would be a gift to this gathering, and we would be honored to have you join us. In addition to attending, we would welcome your support in helping us identify and encourage other Asian American clergy and leaders within your networks to participate.

Further details, including the event schedule, location, and registration information, can be found below.

We hope you will consider joining us for this meaningful and timely gathering, or feel free to share this invitation who can represent your organization. Please feel free to reach out if you have any questions or would like to speak further.

In Christ,
Rev. Seungsoo 'RJ' Jun
